

► BRAVILOR

# TH10

## PRODUCT INFO

The TH10 serves delicious, fresh filter coffee, every time.

## KEY FEATURES

### TH10

- High-quality stainless steel & black accents give the machine a modern appearance
- Coffee is brewed directly into the pump pot or vacuum container
- Signals indicate when coffee is ready, whether the water tank is full & when the machine requires descaling

### Airpot Pump Pot 2.2 Litre

- Coffee can be brewed directly into the pump pot from the Bravilor TH10 or pump pot specific table-top machines
- Unit holds 2.2 litres of coffee, tea or water at the right temperature, whilst maintaining aromatic flavours
- Ergonomically designed for easy operation & easily portable.
